

Dr. Judith Paulus, University of Oxford

Nationality
German

Stay at HHU
2004 - 2013

Cooperation partner at HHU
Prof. Georg Groth
Institute of Biochemical Plant
Physiology

Dept. of Plant Science

Research Interests

I am interested in the activation and interaction of plant proteases such as the PLCP Rcr3 and their involvement in plant immunity.

Research Experiences

- | | |
|----------------|---|
| 2014 - Present | Postdoctoral researcher (with Prof. R. vdHoorn) University of Oxford, UK/ MPI Cologne Germany |
| 2009 - 2013 | Graduate student (with Prof. Georg Groth) HHU Duesseldorf |
| 01 - 06/2012 | Visiting scientist, in the group of R. Michael Garavito, Biochemistry, MSU, East Lansing, USA |
| 2008 - 2009 | Diploma thesis (with Prof. Georg Groth) HHU Duesseldorf |
| 2004 - 2008 | Undergraduate student Biology, HHU Duesseldorf |
